## PRESIDENT'S REPORT

I am pleased to say our General Meetings are now back to normal. The March meeting on the 25<sup>th</sup> was an enjoyable night and Dennis & Esther Healy kindly brought along their 1938 Pontiac Business Coupe for display in the foyer. Dennis gave us an excellent presentation on its history and improvements made to the vehicle. It certainly looked great in the foyer and is a very stylish vehicle.

The VDC invited run on the 21<sup>st</sup> March to Hanging Rock was a great event but unfortunately it rained all day. Many enthusiasts did not bother coming due to the inclement weather but those that did I am sure enjoyed the day. Hanging rock was a great location and VDC did well in booking an oval and having exclusive access to a rotunda for our lunch. There were many excellent vehicles to look at and interesting people to talk with. The only drawback for me was that I was unable to drive with the top down on the Merc. Oh well, that is life.

This year the Austin 7 Club organised the Good Friday Hot Cross Bun run to Braeside Park. There were some difficulties for the A7 club in getting the event up, with COVID restriction in place by Parks Victoria but in the end it all went well.

As this was the first time the A7 club had run this event they did not have suitable equipment for the heating of the rolls and hot water due to the lack of power at this site. Our White Knight Eddie Reynolds sprung to action and took the CHACA trailer to the park and set up gas fired hot water and the pie warmer. This solved the dilemma and the day went very well. Excellent turn up of cars and Paul Goethel was there with the Community Radio station who promoted the event on air. I am sure A7 also had a good collection for the Children's Hospital appeal.

Hopefully by the time you read this we have something worked out for our Birthday run on the 6<sup>th</sup> May. It is also Motoring Heritage Day so as a club we need to promote the Classic Car movement. As AOMC or The Federation are not organising anything this year for this day it will be something for us only. Stay tuned.

I have been informed that Historic Winton Races on the 22<sup>nd</sup> & 23<sup>rd</sup> May will now have spectators at the event due to relaxation of the COVID restrictions. To attend you must purchase tickets in advance and these can be obtained by going to the following web site [www.ticketebo.com.au/historicwinton](http://www.ticketebo.com.au/historicwinton)

You cannot obtain tickets at the gate. If you are going take you classic I am sure this will get you a good parking spot.

**Hosted by: Austin 7 Club Inc.**

**Shared by the Veteran Car Club Vic (VCCAV)**

**Vintage Drivers Club (VDC)**

**Classic & Historic Automobile Club of Australia (CHACA)**

**Special guests: Willys Jeep Club.**

Well it was a beautiful sunny day! In Melbourne's Autumn.

Very well attended with the most beautiful and historic vehicles shining in all their glory.

Such a beautiful day to celebrate, being allowed to socialize again. And the majority of us haven't been vaccinated; hopefully this will happen this 2021.

Covid-19 rules were applied with lots of hand sanitisers and QR code spots.

Toilet facilities were nearby.

Many members, who have been ill over the past three years, were able to join in and enjoy the fun, food, shade under the beautiful trees, and many chats.

Some attendees brought lunch with them as well.

Great to see Shane Taylor and his young family attend. Second generation,

CHACA, club members.

Thank you to the Austin 7 Club, for hosting so well and collecting the many donations and forwarding them to: The Royal Childrens Hospital Appeal.

Thank you to Eddie Reynolds and Gail Evans for bringing the CHACA trailer with all the heating equipment.

And for sourcing, the Gluten Free Hot Cross Buns; from Temptation Bakeries.

# RACV ALPINE TRIAL CENTENARY

20-27 NOVEMBER 2021

In 2021 RACV will celebrate the centenary of the RACV Alpine Trials, events that were significant milestones in Australian automotive history. To commemorate those milestones, RACV, along with the Vintage Drivers Club, will be organising an event recreating the original 1921 Alpine Trial. The RACV Alpine Trial Centenary will be held from Saturday 20 November to Saturday 27 November 2021.

## HISTORY

RACV held a series of reliability trials between 1921-1926. The route of the inaugural 1921 trial ran from Melbourne to Lakes Entrance, Tallangatta, Mount Buffalo, Wangaratta and Healesville before returning to Melbourne via a final loop through Ballarat and Geelong.

The trial focused on Victoria's Alpine region, advocating for both tourism and the construction of better roads and services to expand the touring potential of north-east Victoria. They were both reliability and efficiency contests. Hill climbing contests and fuel consumption tests were also included with automobile companies using the associated publicity to promote their vehicles.

The RACV Alpine Trial Centenary event will follow, as close as practicable, the route of the 1921 RACV 1000 Mile Reliability Trial.

## THE CENTENARY EVENT

A maximum of 100 vehicles will be permitted to enter, with preference given to vehicles that competed in the original events and to other vehicles manufactured during the period of the trials: 1921-1926.

Entries will be accepted in 3 Tiers. Preference for acceptance will be in the order of these tiers.

**TIER 1:** Vehicles that actually contested any of the four RACV events between 1921-1926.

**TIER 2:** Vehicles of the same make and model as the original contestants of the 1921-1926 trials.

**TIER 3a:** Other vehicles manufactured between 1921-1926.

**TIER 3b:** Vintage vehicles up to 1930.

President reported on the VDC Tenants Meeting held on the 9<sup>th</sup> March 2021.

There were no major issues raised at this meeting and the VDC and Chrysler Club have been working on a solution to streaming meetings at the VDC rooms, so members that can't attend can still view the meeting. This arrangement will not allow two way interactions at this stage.

There will be a board installed at the entrance of the building listing all the tenants.

It was also noted that the VDC have installed acoustic ceiling tiles in the supper room to cut down on noise levels and also fitted new carpet. These improvements were much appreciated by the clubs.

Plates and cutlery in the kitchen can now be put back into service after the Covid halt on the use of these items. Must be washed in dishwasher.

VDC are also arranging for a sensor light outside to improve the security at the front of the building.

Great day with good turn up of members. Recommend members make an effort to visit. Open and fully operating last Sunday of each month.

This day was run by the VDC. Unfortunately the weather was unkind and only a few CHACA members attended. This could develop into a great day and if weather is good a perfect spot for a day out.

## Presentation

Dennis Healy kindly brought in his 1938 Pontiac Business Coupe and it was put on display in the foyer.. Then Dennis gave an excellent presentation detailing the differences and features of the Business Coupe to other Pontiac models and his experiences and improvements he has encountered with this vehicle.

## CHACA CLUB PERMIT SCHEME ELIGIBILITY GUIDELINES

CHACA is a VicRoads authorised Club to participate in the VicRoads Club Permit Scheme (CPS).

VicRoads has set rules to determine the eligibility of vehicles for the Club Permit Scheme. These may be viewed in the CPS handbook or on the VicRoads website. CHACA has set its own additional requirements for vehicles to be submitted for the CPS using CHACA's authorisation. The additional requirements are in line with the original CHACA charter of vehicle originality and preservation.

The following are CHACA's requirements for Members submitting vehicles for CPS assessment.

1. The vehicle must have been manufactured prior to 1st December 1992.
2. The member submitting the application must have been a CHACA member for at least 3 months.
3. Vehicles submitted for CPS application must be as the manufacturer originally designed and built. Some modifications are permitted in line with the original manufacture option list, are period correct, or are based on safety issues, but in all cases must not detract from originality. Replicas derived from a lower model are acceptable as long as the appearance is as original as possible to the intended vehicle model (e.g. GT Falcon from a base Falcon).
4. Applicants for the CPS will certify that the vehicle submitted will remain roadworthy during the permit period and unmodified from what was originally submitted.
5. Once a vehicle has been accepted by CHACA for CPS it will be the members' responsibility to maintain the vehicle as originally presented, with no further modifications and in a roadworthy condition for all permit renewal applications.
6. Determination of the eligibility for any vehicle submitted to CHACA for CPS will be at the discretion of the Committee. Vehicle CPS application must be submitted to the Technical Officer in writing.

For further questions, please contact the committee.

## Ken's Joke of the Month

### No nursing home for me. I'll be checking into a Holiday Inn!

With the average cost for nursing home care being \$188.00 per day, there is a better way when we get old and too feeble. I've already checked on reservations at The Holiday Inn. For a combined long term stay discount and senior discount, it's \$59.23 per night. Breakfast is included, and some have happy hours in the afternoon.

That leaves \$128.77 a day for lunch and dinner in any restaurant we want, or room service, laundry, gratuities and special TV movies.

Plus, they provide a spa, swimming pool, a workout room, a lounge and washer dryer, etc.

Most have free toothpaste and razors, and all have free shampoo and soap.

\$5 worth of tips a day you'll have the entire staff scrambling to help you.

They treat you like a customer, not a patient.

There's a city bus stop out front, and seniors ride free. The handicap bus will also pick you up (if you fake a decent limp).

To meet other nice people call a church bus on Sundays.

For a change of scenery, take the airport shuttle bus and eat at one of the nice restaurants there.

While you're at the airport, fly somewhere. Otherwise the cash just keeps building up.

It takes months to get into decent nursing home. Holiday Inn will take your reservation today. And you're not stuck in one place forever—you can move from Inn to Inn, or even from city to city. Want to see Hawaii? They have Holiday Inn there too. TV broken? Light bulb needs replacing? Need a mattress replaced? No problem...They fix everything, and apologise for the inconvenience.

The Inn has a night security person and daily room service. The maid checks to see if you are ok. If not, they'll call an ambulance....or the undertaker.

If you fall and break a hip, Medicare will pay for the hip, and Holiday Inn will upgrade you to a suite for the rest of your life.

And no worries about visits from family. They will always be glad to find you, and probably check in for a few days mini vacation. The grand-kids can use the pool. What more could I ask for?
