## **Next Meeting**

24th April 8 p.m. at the clubrooms -  
Unit 8, 41 Norcal Road Nunawading  
**Guest Speaker - Eddie Reynolds**

Long term and Life Member, Eddie Reynolds will take us on the journey of owning, restoring and using a 1936 Dodge D3 Sedan. Eddie will entertain us with stories including a slide show and movies of the oldest car in his fleet. The Dodge will be on display for everyone to admire.

## **PRESIDENT'S REPORT**

We had a very good attendance at our March meeting which was good to see. Thank you to Ray Nichol for his presentation on the restoration of his 1938 Morris 8/40 which was on show. Another excellent talk has been organised for April. Eddie Reynolds will tell us about his 1936 Dodge and some of the adventures he had in it. It is certainly good to learn about our Club cars and particularly good that, so far, they have all been cars of the thirties. I welcome suggestions from members about guest speakers we might have and their topics. Even better if our members would offer to organise it. If you would like to talk about your car, please let us know.

As the years go by, we also get older. With an average age of Club members probably around 70 we are certainly sneaking into the era of "don't drive at night". Our June meeting will be a lunchtime meeting at the Cardinia Hotel in Beaconsfield. Should be an interesting opportunity for some of our members who don't come to our evening meetings, to join us. More details elsewhere in this edition.

The mention of meetings also raises the thought about committees. We currently have a very good hard working committee, most of whom have been on committee for several years. If this Club is to continue past successes or even make it to our 60th anniversary in 2026 then we need some "younger blood" on the committee. The work is not onerous and we meet bi-monthly via Zoom so you can live anywhere there is a reasonable internet. Each person on committee has a particular area of responsibility and to cap it off it's fun. Please talk to me if you would like to test out the opportunity to serve your club. No obligation – just come to one or two meetings and see what it's like.

Another thought – let's call our vehicles "historic vehicles" or "heritage vehicles". In this way, we are being inclusive of ALL such vehicles and we are reminding others who are not in the movement that, although the vehicles are "old", they should not be referred to as "old" or confused with the "old" as in the "cash for clunkers" category. As always, the above is just the thoughts of one person.

I hope you all had a safe and happy Easter.

As always, the message is .....

Drive your historic vehicle while you can.

Kevin

## VALE WAL MARTIN

Sadly Wal passed away on 9th. April aged 98. Older Members will have no trouble remembering Wal and his wife Joyce as they were familiar faces on the majority of our Club runs and meetings. They joined CHACA in 1968 with a 1935 Ford Roadster and a 1931 Ford A Tourer and several Veterans and remained members until 2018. This was a collection that grew considerably over subsequent years and evolved into a very enviable ensemble of Fords and associated memorabilia.

Unfortunately the 2009 Kinglake bushfire destroyed Wal's museum and most of his vehicles at their Kinglake home leaving him with only a fraction of his former collection.

With his extensive knowledge particularly of anything Ford related, Wal was always very helpful to other members who were in the process of restoring their vehicles.

Below is an early photo of Wal and Ellis Baron (dec.) having a conversation on one of our Annual Tours.

### CLASSIC CAR

*The leather upholstery and walnut dash  
Nothing plastic looking cheap or brash  
The shiny chrome and deep rug pile  
Just sitting in it brings a smile*

*To clean for hours on weekend day  
Then fill with petrol and drive away  
To country place with airs and grace  
This big old beauty has such pace*

*To see the many admiring stares  
As they hurl past in their look-alike wares  
Of modern age with designer fashion  
All quiet the same, but no real passion*

*As hobbies go its not so cheap  
Yet then again the joy you reap  
Makes pure indulgence so worthwhile  
As the whole 4 litre echoes such style*

*It's old yet ageless none the less  
With uneconomical thirst and zest  
Then as you drive it all the while  
Consider its journey mile on mile*

*Throughout its years and ownerships  
What places has it been?  
I wonder was it loved in early days  
And by its then owner cleaned*

*Or did the staff just do the chore  
And fetch it round to large front door  
With owner sitting in the back  
Just being chauffeured, prestige and that!*

## SWANPOOL MOTOR FESTIVAL

Chris, our son Travis and I whilst staying at our holiday home in Bonnie Doon decided to visit the car display at Swanpool. It was such a lovely day that we asked her sister Sue from Wangaratta and her friend Tim from Winton to meet us there. Tim has a property so near the race track that he can hear the V8's on race day.

As you can see from the photos there was a great range of vehicles. Everything from a Messerschmitt to a Rolls Royce. There was a huge range of Holdens including a signed Brock Commodore. There was a display from the Zephyr car club. Lots of hot rods, motorcycles, Jags, Studebakers, Corvettes, a Hudson, a Plymouth, Valiants, Austins, Morris Minors, Minis, MGs, Mustangs, Rovers, Toyotas, a Lincoln, an International ute, an Opel sports car, Buicks, Chevrolets, Fords, a new Mack prime mover and an old Mack truck with solid rubber tyres, caravans and a large Motor Home.

There were market stalls, food and coffee vans and live music.

We certainly recommend that you keep an eye out for the next display, it's well worth the visit.

Regards

Fred Eakins

**Winter Lunch Meeting**—yes some of us are getting a bit older and night driving in the middle of winter is not that attractive so The Committee has nominated **Thursday 23rd June** as a luncheon meeting to replace our usual Clubroom Night Meeting.

**Where:**      **Cardinia Park Hotel**  
200 Beaconsfield Emerald Road  
Beaconsfield

**When:**        Thursday 23rd June

**Time:**        12.30 pm

**Notes:**        The Cardinia Park Hotel has an extensive car park & is not on a busy road so it is safe for our cars. There is an extensive menu and \$20 seniors meals are available. No RSVP is required as an area has been set aside for CHACA.

Planning for 2022 activities is well underway & we would like to distribute information with all our Club Runs, but we need your help to share the workload. Specifically we need Club Members to hold up their hands to help plan any of the following:

- May 15th Birthday Run—National Motoring Day
- June 23rd Winter Daytime Club Meeting/Run
- August Run
- December Club Xmas Event

In the words of Walter Annenberg *"I shall participate, I shall contribute and in so doing I will be the gainer"* It would not be a big commitment, help is provided & it gives you a chance to organise something of interest to you and/or in an area near you. Also I welcome any ideas about future Club Runs. Please call Kate on 0407 362 146 or email her at [kpmarotta@bigpond.com](mailto:kpmarotta@bigpond.com) if interested.

Still looking for volunteers to take an event and run with it.

Ray Griffin also mentioned that on the 10<sup>th</sup> April is the Federation Scoresby Steam Centre run. A free day and close to home. Makes for a great day.

## CHACA CLUB PERMIT SCHEME ELIGIBILITY GUIDELINES

CHACA is a VicRoads authorised Club to participate in the VicRoads Club Permit Scheme (CPS).

VicRoads has set rules to determine the eligibility of vehicles for the Club Permit Scheme. These may be viewed in the CPS handbook or on the VicRoads website. CHACA has set its own additional requirements for vehicles to be submitted for the CPS using CHACA's authorisation. The additional requirements are in line with the original CHACA charter of vehicle originality and preservation.

The following are CHACA's requirements for Members submitting vehicles for CPS assessment.

1. The vehicle must have been manufactured prior to 1st December 1992.
2. The member submitting the application must have been a CHACA member for at least 3 months.
3. Vehicles submitted for CPS application must be as the manufacturer originally designed and built. Some modifications are permitted in line with the original manufacture option list, are period correct, or are based on safety issues, but in all cases must not detract from originality. Replicas derived from a lower model are acceptable as long as the appearance is as original as possible to the intended vehicle model (e.g. GT Falcon from a base Falcon).
4. Applicants for the CPS will certify that the vehicle submitted will remain roadworthy during the permit period and unmodified from what was originally submitted.
5. Once a vehicle has been accepted by CHACA for CPS it will be the members' responsibility to maintain the vehicle as originally presented, with no further modifications and in a roadworthy condition for all permit renewal applications.
6. Determination of the eligibility for any vehicle submitted to CHACA for CPS will be at the discretion of the Committee. Vehicle CPS application must be submitted to the Technical Officer in writing.

For further questions, please contact the committee.

**SELL:** I have just replaced the axle on my old trailer, about 35 years old, due to the fact I could only get vintage tyres for the rims. The rim width is 4" and the tyres fitted are 16" x 5.5".

I have 3 rims. Two have tyres fitted. The tyres are keeping

pressure, but are pretty old. As you see I have the hubs as well, but probably not any good.

I was wondering if anyone in your club would have a use for these. I don't want anything for them, but don't really want to bin them

I am in Mooroolbark and work in Eltham, I could drop them off if in the general area.

## Ken's Joke of the Month

Einstein was on a plane and struck up a conversation with the guy sitting next to him.

"How about we play a game," said Einstein. "I'll ask you a question, and if you can't answer it, you give me \$5. Then you can ask me a question, and if I can't answer it, I'll give you \$500". Sounded like a good deal, so the bloke agreed.

"OK", said Einstein, "how far away from Earth is the Moon?". The bloke pondered for a few minutes then reached into his pocket and handed over \$5.

Then he said to Einstein, "Tell me what goes up a hill with three legs, and comes down with four?" Einstein drew on all his impressive knowledge but couldn't come up with a feasible answer so handed over his \$500.

"So tell me," said Einstein, "What does go up a hill with three legs and comes down with four?" Without a word the bloke handed over another \$5.
