PRESIDENTS REPORT

Just finished an around Australia trip with my wife Irene. No we did not drive we flew. Many will question that decision but I find that once you have driven a few hundred kms in the outback you have pretty well seen it all, and the view of the country changes very little over vast distances. Flying enabled us to reach far flung places like Broome and Darwin very easily, and tours, rental car or relatives enable trips to local sites of interest. Flying also enables a huge reduction in time and cost to do such a trip. It took us a month to go right around whereas if driving we would have needed two months at least and considerably more in accommodation costs to do this trip.

Looking at these large distances I have great admiration for those who take a vintage or veteran car into these parts of this country.

The A Model Ford club had an Adelaide to Darwin run not that long ago and Allan Maden also took his 1917 American LaFrance to Darwin a few years back so there are still some owner drivers with adventure running through their blood.

The more remarkable ones are those pioneer drivers of the early 20th century that traversed this country when roads were nonexistent such as Francis Birtles, Harry Dutton, Murray Aunger and Florence Thomson. (Google them, they make interesting reading.)

There have been some changes to coming events for the next half year. The first being the change from Caribbean Gardens to Como Gardens for the CHACA Judging Day. We did have this event at Caribbean Gardens the last few years, however the facility was booked out very early this year and the only date left was the Melbourne Cup Weekend. Although initially we booked that date, we reconsidered due to the fact that many people take that weekend off with their families, thus the change to Como Gardens on the 20th October. We will try to schedule Caribbean Gardens for next year as it is a great site for a family day.

Likewise we had scheduled the 1st of December for our End of Year & Presentation Day Luncheon at the clubrooms. VDC contacted us to say they had booked Como Gardens for the traditional combined clubs event on that day. We certainly did not want to disrupt this long standing event so moved our Presentation Day back to the 24th November. With plenty of notice I am sure we will handle these changes without too many issues.

Join us on upcoming runs. The combined Buick Olds CHACA runs have been great events and we will be having more of these combined events in the future. It is a good way of pooling resources as well as meeting new likeminded enthusiasts. In addition there are some really cool cars in these clubs. Monitor the Journal and web site as well as facebook to see what events are coming up

JOIN CHACA AT MOTORCLASSICA 2019! 12 OR 13 OCTOBER

Hello again! After a one year hiatus for the 2018 event, in which the organisers dared to change the filling of the club sandwich, we're back on the roster again for this year's Motorclassica!

There are many reasons why we as a club want to be included in the club sandwich. Motorclassica has evolved over the past few years into one of, if not THE major car enthusiasts' event in Australia. In fact it is fair to say many car distributors have started to shun the very expensive Sydney and Melbourne motor shows in favour of events like these. For many good reasons.

Not only that, the Motorclassica organisers have excelled year on year on bringing together some of the finest classic automobiles in the Southern Hemisphere, as well as coming up with some great themes. This year some of the features will include:

- Concours d'Elegance
- Tour Classica
- The Classic Motor Show, of course
- The Club Sandwich
- And new features like Motorclassica after five, Live Restauration Theater
- And special guest Alan Jones, MBE, Australia's own 1980 World Driver's Champion

Apart from the motorshow itself, we'll see a Concours d'Elegance, the Tour Classica bringing the cars through the streets of Melbourne, the classic car auction, and the club sandwich.

<https://motorclassica.com.au/features/club-sandwich-presented-by-lorbek-luxury-cars/>

From the club's perspective, this event is one of the best ones for us to put our club forward and present ourselves to a completely new audience of potential members. That opportunity is something we'd seriously like to grab by the horns, so the club is now actively going to seek members who would like to display their classics during the event.

We're 52 years young this year, and have a great deal to offer and showcase as a club! We have plenty left in the tank, but even our club needs to stop and fill up (on some new members in this case) once in a while!

What the club is offering:

- Opportunity to showcase your classic to a large audience, mix and mingle with the crowd, and tell all your stories about the car as well as our club!
- Entry tickets for driver and one passenger
- What is expected, let's be clear about it:
- We will either get the Saturday or Sunday, which will be confirmed 1-2 months prior to event
- We'd like to showcase cars from every decade (if possible) from the 1920ies onwards, to show what a diverse and varied club we are!
- The car will need to enter the compound around 8am of that morning, and will need to remain there till 5pm/closing; this is why the club will offer the entry tickets as well as lunch and refreshments, we understand it's a long day
- We'd also like to encourage members in pairs of 2 to be available with club info/flyers
- Yes it may be dusty/windy/rainy, unfortunately we can't predict the Melbourne weather

Again, we understand the commitment required for this event, but would also like to state that we do see this as a premier opportunity to present ourselves as a club of passionate car enthusiasts. Hopefully, we can bring that spark across and find some more members to come and join us at our monthly runs and meetings!

Questions or comments? Ask any of the committee members, or else, speak to René about joining the CHACA club sandwich! Contact: René Gielen, 0430 526 328 editor@chaca.com.au

Christmas in July Nagambie Lakes Leisure Park

20 & 21 July 2019 - over 60 people attended

Well what a fantastic and relaxing weekend we were treated to!

Planned by Esther & Dennis Healy, and assisted by all the merry men and women of the Buick Club.

Many hands make light work, although it was a lot of work for them, but they were happy to help Esther and Dennis.

Saturday 20/7

10-10.30: Morning Tea: Firstly we met at the Shell Service Station, Donnybrook.

Absolutely freezing and winter wind blasts suffered to get from the car to the cafe.

11.45: Arrivals commenced at our truly wonderful accommodation spot. This totally set us into relaxation mode, as soon as we arrived at our Cabins.

As well, all of our cabins faced the beautiful Goulburn River!!!!

Oh The Serenity!!!!!!

1.00PM Lunch: Freshly made Pizzas were served on the beautiful decking of the Leisure Park Lake Cafe. Even those with food intolerances were catered for with their unique pizza. Relaxing and chatting for an hour in the sun. Yes, I know... the Sun!! What am I talking about it is winter. Well the day was just a glorious winter day.

2.15 Boat Cruise. On finishing our lunch the first group headed off on the river cruise on a beautiful new boat, with plenty of very large windows for a beautiful view, plus the “up top” of the boat, had plenty of chairs to enjoy the fresh brisk air. After an hour of a truly relaxing cruise with our well dressed, jovial Captain, we returned to the Cafe Dock.

3.15 Boat Cruise. Now the second Group could enjoy the same cruise, so relaxing, a couple of our car club sailors nearly nodded off.

First group: now had time to relax, or help set up the Conference Centre for the Christmas function. Great planning, by Esther and Dennis and her merry helpers, achieved beautifully decorated tables with all the traditional Christmas trimmings. Colourful Bonbons, Christmas Serviettes, shiny cutlery, candles. Green sprigs of trees tied with red ribbons, small bottles of sparkling water for each table. Gold coloured Christmas table runners. The evening was a BYO alcohol function, which suited everybody. Plenty, of wine and water glasses were available and an Urn was set up for Tea and Coffee.

7.00pm: Christmas in July Dinner:

The park chef prepared a delightful 2 course meal, Pork, Turkey, Gravy, Apple and Cranberry sauces with roast pumpkin & Potatoes. Plus cauliflower and Broccoli au gratin, steamed peas and carrot.

Dessert: was plum pudding, custard, cream or passionfruit cheesecake.

Again food intolerances were well catered for.

The merry helpers delivered a bowl of chocolates to each table for entrants to enjoy with their hot drinks.

Entertainment: The President of the 3 Clubs told of their experiences when Apollo 11 made it to the moon, on the 50th Anniversary of the moon landing. We then had a little quiz on some significant details of the Apollo 11 mission and Parkes, Australia involvement.

Esther Healy announced on the night, that she is the newly elected events coordinator on the Buick Car Club committee.

Surprise !! Santa and Mrs Claus arrived, to the amazement of everyone and they moved the party into top gear! After some Christmas wishes, and an easy, fun game that included all members at the dinner, three winners emerged. They were presented with a beautiful bottle of wine each.

After more chatting and laughs, it was time to go home. Unfortunately, no one wanted to leave. So the Merry helpers had to work around us removing decorations while we sat there! Well they had to go to bed as they were cooking a hot breakfast, for us in the morning!!

We all walked back to our cabins with torches and smart phone torches showing us the way.

Sunday: 21/7

8.30 - 9am: A freshly cooked breakfast was prepared and supplied by the Buick Club members. Toast, eggs, 2ways, poached or fried), bacon, sausages, Tea, Coffee, Urn station. The Leisure park cafe gifted us fresh pancakes. Food intolerances were again catered for.

10.30- 11.am Clean up time: everything was packed up washed if needed, and then packed back into the Healy's car.

Alternatively others headed off for the next part of the weekend.

Mitchelton Winery:

Well that was an eye opener, (CHACA members had been there 20 years ago, when Ralph Provan organised a fabulous weekend tour of Seymour, and the surrounding area.)

The winery has spent millions since then.

Such a fantastic, tourist spot. People were arriving there, all morning!!!

It now hosts a magnificent cellar door, Cafe, Restaurant, Exhibitions, accommodation, pool, and Lookout tower. (That was there 20 Years ago).

New Lift, to travel to the top deck, for scenery viewing, the winery is massive.

The lift also takes you to the Exhibition area, running off this area, is the old winery caves, which you can now walk through, and at the end of the tunnel, there is a long wedding table set up for wedding receptions.

We all spent over an hour there seeing all the sights, all free, we only paid for our Tea and coffee. I requested a port, to go with my lemon tea, it was very smooth. It did not come from Mitchelton, as they specialise in wine. It most likely came from Tahbilk, which is not far from Mitchelton Winery.

The restaurant was huge and most members sat at tables near the windows and enjoyed the morning sun. Also a CHACA group got the prime spot around the beautiful log fire, and they settled in to read papers and enjoy the ambience.

We all headed home in our own time, at our own pace.

Nagambie is such a beautiful place, and not that far out from Melbourne.

Make sure you visit there one day over the winter and enjoy the scenery.

Thank you to Esther and Dennis Healy, and the Buick Club, for such a fabulous weekend run.

Some members suggested we should make it a yearly event!!!

Louise Frances Baker, from CHACA.

CHACA CLUB PERMIT SCHEME ELIGIBILITY GUIDELINES

CHACA is a VicRoads authorised Club to participate in the VicRoads Club Permit Scheme (CPS).

VicRoads has set rules to determine the eligibility of vehicles for the Club Permit Scheme. These may be viewed in the CPS handbook or on the VicRoads website. CHACA has set its own additional requirements for vehicles to be submitted for the CPS using CHACA's authorisation. The additional requirements are in line with the original CHACA charter of vehicle originality and preservation.

The following are CHACA's requirements for Members submitting vehicles for CPS assessment.

1. The vehicle must have been manufactured prior to 1st December 1992.
2. The member submitting the application must have been a CHACA member for at least 3 months.
3. Vehicles submitted for CPS application must be as the manufacturer originally designed and built. Some modifications are permitted in line with the original manufacture option list, are period correct, or are based on safety issues, but in all cases must not detract from originality. Replicas derived from a lower model are acceptable as long as the appearance is as original as possible to the intended vehicle model (e.g. GT Falcon from a base Falcon).
4. Applicants for the CPS will certify that the vehicle submitted will remain roadworthy during the permit period and unmodified from what was originally submitted.
5. Once a vehicle has been accepted by CHACA for CPS it will be the members' responsibility to maintain the vehicle as originally presented, with no further modifications and in a roadworthy condition for all permit renewal applications.
6. Determination of the eligibility for any vehicle submitted to CHACA for CPS will be at the discretion of the Committee. Vehicle CPS application must be submitted to the Technical Officer in writing.

For further questions, please contact the committee.

KEN'S JOKE OF THE MONTH.

They weren't in my pockets. Suddenly I realized I must have left them in the car. Frantically, I headed for the parking lot. My husband has scolded me many times for leaving my keys in the ignition. He's afraid that the car could be stolen. As I looked around the parking lot I realized he was right. The parking lot was empty. I immediately called the police. I gave them my location, confessed that I had left my keys in the car and that it had been stolen.

Then, I made the most difficult call of all to my husband: "I left my keys in the car and it's been stolen."

There was a moment's silence. I thought the call had been disconnected, but then I heard his voice. "Are you kidding me?" he barked. "I dropped you off!"

Now it was my turn to be silent. Embarrassed, I said, "Well, come and get me".

He retorted, "I will, just as soon as I convince this cop that I didn't steal your damn car!"

Welcome to the Golden Years!!!
