PRESIDENT'S REPORT

After conducting a successful June General Meeting along comes COVID again and makes a mess of things. July was an online Zoom meeting however we only got 16 members attending which was a bit disappointing.

The main discussion point at the June meeting was the current Department of Transport review of the Club Permit Scheme (CPS). It was difficult wading through the various documents prior to the meeting to get an understanding of what was proposed. In the documents I read it did indicate that there were to be increases in the Permit fees for both 45 days and 90 days. Fortunately Brian Crocker had read them a little closer and corrected me on this matter, as I had used an earlier document rather than the final version. At this time there is no fee increase proposed. Time will tell of course as one never knows what will come out of reviews so let's hope that is the case.

The main changes that will interest us is a change from the current 25 year eligibility to 30 years, tightening up of the documentation required for CPS applications, new penalties for misuse of the logbooks and better definition of what is a Replica.

After the meeting Bill Redpath gave us an excellent presentation on the Variety Bash and his EH Holden bash vehicle he had on display in the foyer. Bill has completed 31 variety bashes which must be some type of record. On many of these bashes he has been accompanied by his wife Heather. This car did its first bash in 1991 and has had an amazing career since then, including a roll over and full rebuild.

Barry Smith has organised a CHACA Annual Tour in September as a combined event with the Veteran, Vintage & Classic Vehicle Club of Wangaratta. They are holding their Spring Rally over the period 17th to 19th September. This rally is centred in Wangaratta and includes a Silo Tour and other interesting sites. Come along and join this event as it should be a great weekend. Contact Barry Smith if you wish to join in. Details elsewhere in the Journal.

Event planning is still difficult with COVID lurking in the background. Rozz Smith has organised a gathering at the Balnarring Races on the 6th November. Buick and Olds clubs will be joining us so this should be a great day out. Details in the Journal.

VALE

Neil Ferguson

With sadness I report that CHACA member Neil Ferguson passed away on 26th May 2021. Neil joined CHACA in 2005. He was noted for his engineering skills and high quality restorations. A number of our members have enjoyed the benefits of his skills and advice.

Neil didn't say a lot but he did have a quick wit and great sense of humour.

CHACA Committee and members extend our sincerest condolences to Neils family.

Vale Ian Bird (17/8/1928—14/7/2021)

Sadly CHACA Member Ian Bird passed away on Wednesday 14th. July, aged almost 93.

Ian and Loan joined CHACA in 1985/6 with a '49 Holden 48-215, ("Ol Black" as it was affectionately dubbed by Joan (dec.)) also a '78 Toyota Sedan and a '82 Falcon sedan. They immediately started attending most of CHACA's events and meetings. They later acquired a 1949 Morris Minor.

They were regular attendees, barely missing an event until a little over 10 years ago. Age catches up with all of us eventually.

Ian took on the role of Activities and Special Activities Officer in 1986 for 5 years and introduced the Club to the concept of overnight runs which has now morphed into our more common weekends away. He was a great organizer and everything he did was done to perfection.

Ian also assisted Margaret Griffin with the production and distribution of the "30 Year History of CHACA" book.

He attended a Food Handler's course some time ago so we could man a free BBQ for the customers at Shannons Auctions. This went on for quite some time.

Our sincere
condolences go out to Ian's family.

CHACA ANNUAL SHOW & SHINE & JUDGING DAY

10th OCTOBER 2021

As COVID is such a threat to event planning at present we have decided to have our annual Judging Day event at the Club Rooms on the 10th October 2021.

This facility will give us excellent parking, a great indoor environment and plenty of seating without the COVID worry of gathering at a public location

The BBQ will be going and, although we will have some snags to share, if you wish to bring something for yourself please do so. The BBQ is there to be used.

Arrive any time from 10am. Judging will be from 1:30pm.

CHACA CLUB PERMIT SCHEME ELIGIBILITY GUIDELINES

CHACA is a VicRoads authorised Club to participate in the VicRoads Club Permit Scheme (CPS).

VicRoads has set rules to determine the eligibility of vehicles for the Club Permit Scheme. These may be viewed in the CPS handbook or on the VicRoads website. CHACA has set its own additional requirements for vehicles to be submitted for the CPS using CHACA's authorisation. The additional requirements are in line with the original CHACA charter of vehicle originality and preservation.

The following are CHACA's requirements for Members submitting vehicles for CPS assessment.

1. The vehicle must have been manufactured prior to 1st December 1992.
2. The member submitting the application must have been a CHACA member for at least 3 months.
3. Vehicles submitted for CPS application must be as the manufacturer originally designed and built. Some modifications are permitted in line with the original manufacture option list, are period correct, or are based on safety issues, but in all cases must not detract from originality. Replicas derived from a lower model are acceptable as long as the appearance is as original as possible to the intended vehicle model (e.g. GT Falcon from a base Falcon).
4. Applicants for the CPS will certify that the vehicle submitted will remain roadworthy during the permit period and unmodified from what was originally submitted.
5. Once a vehicle has been accepted by CHACA for CPS it will be the members' responsibility to maintain the vehicle as originally presented, with no further modifications and in a roadworthy condition for all permit renewal applications.
6. Determination of the eligibility for any vehicle submitted to CHACA for CPS will be at the discretion of the Committee. Vehicle CPS application must be submitted to the Technical Officer in writing.

For further questions, please contact the committee.

SELL: I have just replaced the axle on my old trailer, about 35 years old, due to the fact I could only get vintage tyres for the rims. The rim width is 4" and the tyres fitted are 16" x 5.5".
I have 3 rims. Two have tyres fitted. The tyres are keeping pressure, but are pretty old. As you see I have the hubs as well, but probably not any good.
I was wondering if anyone in your club would have a use for these. I don't want anything for them, but don't really want to bin them

I am in Mooroolbark and work in Eltham, I could drop them off if in the general area.

Due to VicRoads tightening their control on all Clubs involved with the Club Permit Scheme (CPS) we now request that all members issued with a Permit through CHACA under the new Log Book scheme attend at least one Club Run or Meeting every 6 months **with the Car**. This will assist the Club in ensuring your vehicle continues to meet with all the guidelines and conditions of use as set out by VicRoads and CHACA.

Members are also reminded that the Club is bound by the new rules of this scheme to advise VicRoads of any Permit Holder who is no longer a financial member of the Club. Any queries please contact.
