President's Piece

When 2022 dawned we all hoped for a better, less restricted year than 2021 or 2020. We looked forward to a year of more activity and greater use of our historic vehicles. Only to a certain extent has that happened as the virus is still around us, keeping some of us isolated from car club and other activities. It now seems to be an individual decision as to what functions we attend as we try to adjust to a new "normal", often dictated by personal or family vulnerability.

The historical vehicle movement worldwide is changing and in Victoria has been changing gradually since 2011 when we gained our Club Permit Logbook system. Having a system which allows us to go anywhere, anytime, for a maximum of 90 days is a real bonus. However, it has become a "two types of club system". What I mean is that Clubs such as ours continued to have their monthly meetings and day runs while those who own the "more modern" historic vehicle run their "Clubs" via social media with more impromptu runs.

Recently I read an article about a FIVA meeting in Madrid. FIVA is the world umbrella organization, like our State and National organisations, but a world voice. The thinking at that meeting was exactly what I have said above about enthusiasts being "driven" by social media. Another article I read said much the same in as much that there is less focus on marque specific activities and more on getting together over a coffee. Are Clubs such as ours becoming dinosaurs? Do we need to change our thinking about meetings and runs? What other changes will help keep us vibrant into the future.

Please save the dates for our Annual Tour, the Club Display Day & Melbourne Cup Event, the Club Christmas lunch & Presentation Day at Chateau Wyuna and other Club or combined Club events for the rest of the year. Details in this Journal.

As always, the message is

Drive your historic vehicle while you can.

Report: Nagambie Christmas In July 2022- Weekend 16-17 July

Well, good things come to those who wait! We finally got away for our prepaid July weekend. Approximately 70 members attended from four clubs: Buick, Oldsmobile, Packard and CHACA.

11.30: We arrived at our accommodation cabins on the lake.

We thoroughly enjoyed the beautiful scenery and soaked up relaxing mood of the Lake. The birds were enjoying their surrounds.

12.30pm: We all enjoyed Pizzas, either seated, inside the warm cafe or out on the decking. Avon, the chef and Nicole, his helper, at Discovery Park, made sure there was enough for everyone to share, with about 4 pizzas left over. It was great for the 4 clubs to come together and mix. Tea and Coffee station supplied free.

1.30pm: Half the Group of 65 went for the first boat ride, which lasted for an hour. The skipper had a great friendly and comical personality and he pointed out features of the area. He had grown up in Nagambie. Some passengers chose to sit up-stairs and some had run out of seating. So luckily, they were rugged up to get through the hour of a very cold cruise.

2.30pm: The second half headed off on their adventure.

3.30pm: We enjoyed free time and some went to the IGA to buy alcoholic refreshments for Christmas dinner, as you could BYO.

6.00pm. We met at the Function Centre for Christmas Dinner.

Esther and her friends, had set all the tables up beautifully with a Christmas theme, lots of table decorations and chocolates. Dinner was a beautifully cooked Roast Pork and Turkey with our favourite vegetables and GF Gravy which catered for all.

The Chef at Discovery Park and staff, including Megan, from the Goulburn Explorer, had made a beautiful Dinner and served us very well.

Dessert was either individual plum puddings & custard, or Lemon Tarts.

Tea and Coffee was set up for all to help themselves.
Official Duties: Firstly, was to thank the 4 Club Presidents, for their Donations towards the Prizes for the Raffles.

Entertainment: Esther and those on the Social Committee and those roped in to help, entertained us with dress up plays of great songs of the 50s and 60s. Each table had to guess which song they were acting out.

“No Particular Place to Go”, “Bird Dog”, “Love Potion No 9.”

“Tequila”, “Wake up Little Suzie”, “Beep Beep” and “Surfer Joe”

They all dressed up to the theme of the song and acted it out superbly.

The Original song was then televised for us to enjoy, in its original glory.

After the night, we all headed back to our cabins, unfortunately some got drenched walking home. Depending on your departure.

Breakfast Sunday: Was well organised and catered for by 8.15 by Esther and her team. They had already cooked, eggs, sausages, bacon, scrambled eggs. Tea and Coffee station ready to use.

We all enjoyed a lovely breakfast together and a chat.

We said our goodbyes and thanked Esther and Dennis, Bill and Lillian, Keith and Denise, Bev and Barry, who form the Social Committee of the Buick Car Club and John and Mirjam, Len and Fran who get roped in to everything! We then headed off on our way, to other destinations and some to home. Thank You Esther, Dennis and all the team for such a Great Weekend.

Your certainly put a great deal of effort into everything.

Louise Baker CHACA. 17.7.2022

CONGRATULATIONS ESTHER & DENNIS

I am writing this while travelling to Queensland. If you didn't make it to Nagambie, all I can say it's your loss. After being locked up for 2 years, everybody went away with the attitude of bring it on, and Esther & Dennis did just that. We had a very nice Christmas Dinner. Afterwards we had games which included the audience, with music from our time, you could see the feet and finger tapping to the rhythm of the music. There was Elvis, Roy Orbison, even a bit of Abba. Esther managed to incorporate skits to each piece of music and they went down very well. The award of the evening goes to John Egglestone & Mirjam, for their skit Beep Beep and it was excellent. Also it was great to see the 4 clubs combining to make such a terrific weekend. I think that is the way of the future. If you have more members attending you will get better venues, and pricing. So members benefit in the long term.

To Esther & Dennis, to all your great team you have backing you, thanks once again for a Fabulous weekend.

Government Funding for Clubs to get events up and running again after Covid. Two applications were made for funding for the Bendigo Swap, it was deemed not a big enough event for Victoria by the State Government to qualify for the funding. The swap brings in 4 million dollars to the economy. The Application through the Agricultural Show Societies was unsuccessful due to we don't have horses or pigs at the swap although we are members of the Victorian Agricultural Show Association.

There is a requirement to have a VIN number stamped on the chassis for new to scheme vehicles for 1980 on imported vehicles from overseas, number to be stamped on vehicle will comprise of 12 numbers, and no plates to be used or fixed to the vehicle, number must be stamped onto the chassis of the vehicle.

Bendigo to Castlemaine event on the 27th August. If you are wishing to join with Bendigo Club members for breakfast on Saturday morning please let Neil Athorn know by the 20th August. Cost will be \$5.00 per head. Marong Picnic on the 28th August. Usual requirements with no vehicle movements between 10:30am and 1:00pm. Clubs must have the event mentioned in the Clubs newsletter and their members then bring a copy with them to gain free entry for members. Members must have a copy of that newsletter ready to show at the two entrance gates. Rotary will be on site for catering. St Johns ambulance will be in attendance. There will be a tractor trek and engine display.

Bendigo Swap 12th and 13th November. Site holders set up day 11th November but NO trading.

Baw Baw Picnic on the 16th October 2022. This is a great event and lots to see in the display shed and surrounds.

CHACA CLUB PERMIT SCHEME ELIGIBILITY GUIDELINES

CHACA is a VicRoads authorised Club to participate in the VicRoads Club Permit Scheme (CPS).

VicRoads has set rules to determine the eligibility of vehicles for the Club Permit Scheme. These may be viewed in the CPS handbook or on the VicRoads website. CHACA has set its own additional requirements for vehicles to be submitted for the CPS using CHACA's authorisation. The additional requirements are in line with the original CHACA charter of vehicle originality and preservation.

The following are CHACA's requirements for Members submitting vehicles for CPS assessment.

1. The vehicle must have been manufactured prior to 1st December 1992.
2. The member submitting the application must have been a CHACA member for at least 3 months.
3. Vehicles submitted for CPS application must be as the manufacturer originally designed and built. Some modifications are permitted in line with the original manufacture option list, are period correct, or are based on safety issues, but in all cases must not detract from originality. Replicas derived from a lower model are acceptable as long as the appearance is as original as possible to the intended vehicle model (e.g. GT Falcon from a base Falcon).
4. Applicants for the CPS will certify that the vehicle submitted will remain roadworthy during the permit period and unmodified from what was originally submitted.
5. Once a vehicle has been accepted by CHACA for CPS it will be the members' responsibility to maintain the vehicle as originally presented, with no further modifications and in a roadworthy condition for all permit renewal applications.
6. Determination of the eligibility for any vehicle submitted to CHACA for CPS will be at the discretion of the Committee. Vehicle CPS application must be submitted to the Technical Officer in writing.

For further questions, please contact the committee.

BUY, SWAP AND SELL

Advertisements in this column will appear for three consecutive months unless instructions to the contrary are received by the Editor. Victorian State laws require all advertisements for registered vehicles to display a Price and Registration Number, and for unregistered vehicles, the sale price together with the engine or VIN/Chassis number.

Advertisements that do not comply with the above will not be listed, nor will it be the Editor's responsibility to seek such information.

SELL: I have just replaced the axle on my old trailer, about 35 years old, due to the fact I could only get vintage tyres for the rims. The rim width is 4" and the tyres fitted are 16" x 5.5".

I have 3 rims. Two have tyres fitted. The tyres are keeping pressure, but are pretty old. As you see I have the hubs as well, but probably not any good. I was wondering if anyone in your club would have a use for these. I don't want anything for them, but don't really want to bin them. I am in Mooroolbark and work in Eltham, I could drop them off if in the general area.

Ken's Joke of the Month

The Olde English Pub was called “The Black Cat”. Legend had it that it was named after the favourite moggy of the first innkeeper of that site. The cat had met its death when a runaway coach had run over it cutting off its tail. For the past 2 hundred years its ghost appeared every time the pub changed hands.

Thus it was that the new licensee was up late doing his accounts and was confronted by the ghostly apparition of the cat, carrying its tail in its paw.

“My soul won’t rest until my tail is restored,” wailed the ghost. “Can you help me please?”

The publican put down his pen.

“I’m afraid not,” he said. “I’m not allowed to retail spirits after ten-thirty”.
