PRESIDENT'S REPORT

What a great opportunity it was for us to once again have a face to face CHACA General Meeting on the 28th January. Although the numbers were down with only 19 attending it was very enjoyable to finally have a natter with other members. The meeting went well and to top it off Barry & Roz Smith had brought in their De Dion Bouton for display. What a wonderful machine and Barry gave a presentation on the history of the car and the improvements he has added.

Entry to the building went to plan with those not having a smart phone being COVID logged in by others that did. No one was turned away. Next month we intend doing the same thing however we will still be limited to 40 persons on the premises, so pre registering with me is essential. Just email to bjgarrett@optusnet.com.au or a phone call or text to 0400166762 will suffice.

Unfortunately I can confirm that there is not a video streaming service for meetings available yet but I am sure it will eventually appear.

We had our first run for the year to the Cranbourne Botanical Gardens on the 24th January. It was not all smooth sailing as, due to forecast temperature, I had cancelled the run then after changes to the forecast restated the run, which caused some confusion for members. Sorry about that. In future I will leave it up to members to decide if they will attend based on what conditions are acceptable to them. Regardless, those that did attend had a great time even though it got a bit hot in the afternoon.

For February we have planned on meeting at the National Steam Centre on the 28th February. See poster elsewhere in the Journal. This is a place I have not been to previously so I am looking forward to it. Bring your own food and I suggest seats. There is a miniature railway for both big and little kids to ride on and plenty of steam displays. Should be a good day.

Lock in Good Friday 2nd April for our traditional Hot Cross Bun Charity day at Braeside Park. This year the Austin 7 Club are organising it and the only hitch could be the 8 week lead time for Parks Victoria to approve the event. The Austin 7 Club are very experienced organisers of events so I am confident it should be a goer. It almost feels like things are getting back to normal.

Cranbourne Botanic Gardens 24/01/2021

At last! A Club run after so long in Lockdown. A real pleasure to get out and renew acquaintances with Club members.

It wasn't without difficulties however, with trepidation over whether the outing should be postponed due to the high temperatures forecast (as high as 38 degrees). It seemed to depend on where the forecast came from, some sources were different to others.

Anyhow, it went ahead and we had an attendance of 25 members, friends and visitors.

We congregated in Stringybark picnic grounds and had morning tea there, then a dozen members went on a 25 minute tour of the gardens in the open-air bus.

Back to Stringybark park for lunch. Very pleasant, sitting under the shade of the trees, but as the afternoon approached, the temperature started climbing.

Some more talking, then around 1.30pm with the temperature touching 32 degrees we all started making our way home.

“Rashomon Effect” - Tony Tang

We all arrived at the Stringybark car park in the gardens from 10.30 to 11am.
Temperature probably 30c.

We all decided to settle into the car park as there was ample shade for our Group.
We all enjoyed our own morning tea, in the car park.

Then half the group drove to the visitors centre to book the tour bus.
The 25 minute guided tour, was very enjoyable, as we encountered some little breezes.
Our Guide/Driver pointed out and named all the Australian flora.
Even the rocks have been collected from different parts of Australia and been put on display in the gardens.

We all headed back to the car park after the tour, and enjoyed our picnic lunches with the others.
A few photos were taken and it was nice to meet members, we had not met before, as well as old members, that we hadn't seen since Covid-19 lockdown.
By this time the shade was shrinking ,and heat now about 36c and it was time for this little reporter to leave.

We said our goodbyes and head home.
A Really enjoyable day, even though it was a bit hot!
Looking forward to another CHACA outing in the near future. Covid allowing!!

Louise Baker.

British and European Motoring Show

Unfortunately, it has been decided to postpone this event for 2021.

There is still a very uncertain climate within our community and given the current circumstances we don't believe we can host and create a safe and enjoyable show experience as you are accustomed to. Instead, we have made the difficult decision to postpone this show until 2022, when we feel we can bring you a show as good as our past events.

We will be planning for next years British and European Motoring Show and as well we will be looking for opportunities to organise an American Motoring Show, an Aussie Show and Japanese Car Show

Please watch our website and face book page for details of events to be held next year.

CHACA CLUB PERMIT SCHEME ELIGIBILITY GUIDELINES

CHACA is a VicRoads authorised Club to participate in the VicRoads Club Permit Scheme (CPS).

VicRoads has set rules to determine the eligibility of vehicles for the Club Permit Scheme. These may be viewed in the CPS handbook or on the VicRoads website. CHACA has set its own additional requirements for vehicles to be submitted for the CPS using CHACA's authorisation. The additional requirements are in line with the original CHACA charter of vehicle originality and preservation.

The following are CHACA's requirements for Members submitting vehicles for CPS assessment.

1. The vehicle must have been manufactured prior to 1st December 1992.
2. The member submitting the application must have been a CHACA member for at least 3 months.
3. Vehicles submitted for CPS application must be as the manufacturer originally designed and built. Some modifications are permitted in line with the original manufacture option list, are period correct, or are based on safety issues, but in all cases must not detract from originality. Replicas derived from a lower model are acceptable as long as the appearance is as original as possible to the intended vehicle model (e.g. GT Falcon from a base Falcon).
4. Applicants for the CPS will certify that the vehicle submitted will remain roadworthy during the permit period and unmodified from what was originally submitted.
5. Once a vehicle has been accepted by CHACA for CPS it will be the members' responsibility to maintain the vehicle as originally presented, with no further modifications and in a roadworthy condition for all permit renewal applications.
6. Determination of the eligibility for any vehicle submitted to CHACA for CPS will be at the discretion of the Committee. Vehicle CPS application must be submitted to the Technical Officer in writing.

For further questions, please contact the committee.

Ken's Joke of the Month

PARAPRODOSKIANS are figures of speech in which the latter part of the sentence is unexpected. Winston Churchill loved them.

Some examples:-

1. Where there's a will I want to be in it.
2. Since light travels faster than sound, some people appear bright until you hear them speak.
3. If I agreed with you, we'd both be wrong.
4. War does not determine who is right, only who is left.
5. Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.
6. They begin the evening news with "Good Evening", then proceed to tell you why it isn't.
7. To steal ideas from someone is plagiarism. To steal from many is called research.
8. In filling in my application, where it says, "In case of emergency" - notify: I put 'Doctor'.
9. I didn't say it was your fault: I said I was blaming you.
10. Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they look sexy.
11. Behind every successful man is his woman. Behind the fall of a successful man is usually another woman.
12. A clear conscience is the sign of a bad memory.
13. I used to be indecisive. Now I'm not so sure.
14. Nostalgia is what it used to be. Nor is there any future in it.
15. Change is inevitable, except from a vending machine.
16. Going to Church doesn't make you a Christian any more than standing in your garage makes you a car.
17. Finally; I'm supposed to respect my elders, but it's getting harder for me to find one now.

And my personal favorite;

18. I am not arguing with you, I am explaining why you are wrong.

To all Permit Plate Holders

Due to VicRoads tightening their control on all Clubs involved with the Club Permit Scheme (CPS) we now request that all members issued with a Permit through CHACA under the new Log Book scheme attend at least one Club Run or Meeting every 6 months **with the Car**. This will assist the Club in ensuring your vehicle continues to meet with all the guidelines and conditions of use as set out by VicRoads and CHACA.

Members are also reminded that the Club is bound by the new rules of this scheme to advise VicRoads of any Permit Holder who is no longer a financial member of the Club. Any queries please contact.
