## **President's Piece**

We have had some good events so far this year with sometimes disappointing attendance. I believe that the National Motoring Heritage Day events had reasonable attendance with 100 vehicles at Trentham and 52 at Scoresby. The inaugural pre WWII event at Bendigo was very well attended and well run by the Veteran, Vintage & Vintage Sports Car Clubs, as a group. We look forward to an early invitation for the 2024 event. Timely announcements of events such as those mentioned above, mean that we can plan our calendar better.

I think it is obvious that combined events that we can attend as a Club, will help improve numbers and join the wider movement, then the better it is for everyone. Let us support major events such as British & European Show -which we did have a large group at this year - American Motoring Show, Motorclassica, Festival of Motoring and other such events. The advantage in attending events such as these is that we have very little organising to do.

We have just heard that our member, Denis Mills died in April. Denis had a 1974 Triumph Stag Coupe and lived in Travancore. The Club extends our condolences to Julie and family.

Please don't forget that we have our Annual General Meeting in October. As always we do need new blood on our Committee so that we can keep going forward towards our 60th Anniversary in 2026. It would be disappointing not to be able to celebrate this important milestone. It's not too early to start planning so I welcome any suggestions about what we might do.

Our annual Christmas Lunch and Presentation Day will be on the 26th November at the clubrooms. It will be a spit roast, potatoes, salads and sweets. Please save the date.

As always, the message is .....

Drive your historic vehicle while you can.

*Kevin*

## Wallace Hotel Birthday Run. 21st May

Members of CHACA and the Buick Car Club, met at the Wallace Hotel, near Ballarat, for lunch.

Over fifty people combined attended, even though the weather was cold and rainy at times.

The food was very good and it was another opportunity to meet up with friends from both Clubs.

At the same time this event celebrated CHACA's 57 Birthday and it was disappointing to only have 22 members attend.

These joint Club events are a good way to promote the Historic Car Movement and friendship between Clubs.

## SPECIAL NOTICE

### General Meeting 27<sup>th</sup> July 2023

It's the middle of winter and no one wants to go out at night in the cold to attend a car club meeting - right?

Well problem solved as the CHACA meeting scheduled for the 27<sup>th</sup> of July has been converted to a lunch gathering. That means no meeting that night at our clubrooms.

The lunch gathering will be at the Shopping Town Hotel in Doncaster.

Bring your partner or friend along and enjoy a relaxed gathering and lunch.

**When:** THURSDAY 27<sup>th</sup> July 2023

**Where:** Shopping Town Hotel, 19 Williamsons Rd, Doncaster.

**What time:** 12 midday on.

Senior's menu available. <https://www.shoppingtownhotel.com.au/menus>

Plenty of off street parking.

It would assist us if we know the numbers coming on the day so a call, text or email to the Secretary, Brian Garrett, prior to the day would assist us greatly.

# Albany Classic motor race celebrates the history of 'around the houses' racing

*ABC Great Southern / By Lauren Smith*

It's nearly as old as the Monaco Grand Prix, was first held decades before Bathurst, and continues to draw a crowd of thousands.

This little-known car race in southern Western Australia, the Albany Classic, is loved by drivers and fans alike.

Racing at high speeds, a range of vehicles from modern to historic hurtle around the historic streets of Albany — WA's oldest town — each June.

It's one of only a handful of 'around the houses' races held across the world, which grew in popularity in the 1930s.

The style of motor race involves small towns or cities allowing a motor race through its streets with crowds able to watch on from close proximity.

The most famous example is the Monaco Grand Prix — one of the world's most famous motorsport events — where race cars have hurtled around the streets of Monte Carlo since 1929.

"I'd like to think Albany is the Monaco of Australia for the around the houses," competitor and race committee member Phil Shepherd said.

## Historic race born out of the Depression

The first race was an effort to boost the town's economy during The Great Depression.

"Albany got together during the Depression to hold a festival, use the trains and bring people to Albany for the weekend to inject some money into the economy," he said.

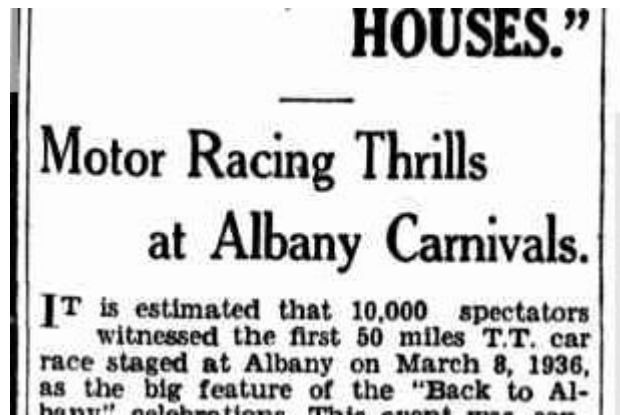

A newspaper clipping from the Western Mail in 1936 described 10,000 thrilled spectators watching on.

"The race was the first of its kind ever staged in Australian states and provided plenty of thrills," it read.

The event ran annually for three decades until insurance issues in the 1960s made it unviable.

It was reborn in 1991 and has remained a staple of the Albany calendar ever since, drawing thousands of spectators each year.

"I love how the spectators are so close. If you compete at a track, they might be as close as 100 metres here. You literally high-five them on the other side of the concrete," Mr Shepherd said.

"Where else can you do a skid legally around your town hall?"

"It's so much fun to see the smiles on the crowd, the ability to get kids to sit in the car and pretend one day they might be doing it."

While originally an event to draw visitors, the race has grown the popularity of motorsport in the south coast city.

"Albany drivers have grown substantially since 1991 when it was mainly for visiting drivers. Now about 20 per cent are local drivers, which is great," Mr Shepherd said.

"There are only two 'around the houses' events left in Australia, one here and one in Northam."  
'Puts a smile on our face'

Mr Shepherd entered three vehicles this year; all classic Jaguars from the 1950s and 60s.

Mr Shepherd said some of the cars that race today are from the 1930s.

"Here we are nearly a hundred years of cars, and they are still going around in doing something they did in 1936," he said.

"That's impressive."

Attendance at our events has sometimes been disappointing. National Heritage Motoring Day events had 100 vehicles at Trentham, while the Scoresby event had 52. Our Club needs to embrace major events such as American Motoring Show, Festival of Motoring and the British and European Show, which did have a good CHACA presence this year. Please don't forget our AGM in October and I look forward to our 60th Anniversary in 2026. It would be disappointing not to be able to celebrate this important event.

**Past Events Report**

- 16th April. Pleasant Sunday Morning Coffee at Ray & Margaret Griffin's property. Ray reported a great day was had. Not as many attending as hoped but those that did enjoyed it
- 28th – 30th April. Florence Thompson Tour Barry & Brian reported on the Florence Thompson. Well organised event and highly recommended to members.
- 21st May. Birthday run & Presentation Day at Wallace Hotel.

Twenty two CHACA members attended. Thirty four members of the Buick/Oldsmobile club were also there. As the CHACA attendance was poor the presentation part of the day was deleted. Excellent food and service, nice drive up and overall a good day.

**Future Events**

- 27th & 28th May. Historic Winton
- 18th June. Sunday Morning Coffee run. Two Beans at Carome Estate. Mernda. 10:30 am
- Saturday 22nd July. Buick Club Xmas in July at Phillip Island. Contact Dennis or Esther Healy for details.
- 27th July. General Meeting Lunch. Shopping Town Hotel, Doncaster. No evening General Meeting.
- 24 September. Mulberry Hill Homestead. Details to follow.
- 6 – 8th October. Motor Classica .(TBC)
- 22nd October. Bay to Birdwood.
- 12th November. Yarra Glenn Historic Truck show. CHACA invited to display.
- 19th November. Shannons American Motoring Show.
- 26th November. CHACA Presentation and Xmas lunch. At the clubrooms.
- 20th January 2024. Festival of Motoring Cruden Farm

**Quarterly Reports.**

Federation: Brian Garrett. Federation Run, 27th August to 2nd September.

AOMC – Kevin Churchill. Finances are strong. Code of Conduct developed for employees. British & European Show returned less than anticipated. AOMC & Federation have joint working party with Vic Roads regarding abuse of CPS, display rights for heritage plates, retention of log books.

Club Management Seminar on 17th June.

Restoration seminar on 15th July

**General Business.**

Discussion regarding tax aspects for clubs.

Carbon Offset was discussed without any clarification as to how it works.

**Close meeting 8:45 pm**

**Next Meeting. 22nd June 2023**

Ray Griffin showed some of Eddie Reynolds old home movies of CHACA events of the 70's and 80's. These events were large and obviously involved much younger members and their families. The activities that were run at these events were extensive and included driving competitions in their classic cars. That may cause some problems today with the current OHS culture.

## **ACT Government introduces new historic registration rules for classic cars**

**Classic cars in Canberra can now be driven up to 60 days per year – for less than \$100 annually – following changes to the territory’s historic vehicle registration rules.**

Owners of classic cars on club permits in the Australian Capital Territory have been given more freedom to drive their vehicles throughout the year, after the local government brought its regulations into line with those already in place in a number of other jurisdictions.

Since 1985, the ACT’s Veteran, Vintage and Historic (VVH) concessional registration scheme has allowed owners of vehicles which are 30 years or older to access cheaper annual registration costs, albeit with strict conditions of when the cars could be driven.

The registration scheme previously required owners to fit their classic cars with a specific number plate reflecting its status as a VVH vehicle, while travel was also limited to no more than 3000 kilometres per year – making the ACT Australia’s only jurisdiction to include a distance-based cap in its concessional registration.

From 3 April 2023, the ACT’s distance-based limit has been replaced by a day-based limit, allowing cars registered under the VVH scheme to be driven for up to 60 days annually – excluding days where they are driven to and from official car-club events.

In addition to the amount of time owners can drive their classic cars, the new changes allow for the use of standard number plates on vehicles with historic registration, while modified vehicles can apply for the concession scheme for the first time.

A full year of registration and compulsory third-party insurance for VVH vehicles in the ACT costs \$99.10 – significantly less than the price of standard annual registration which ranges from \$837.80 to \$1128.30, depending on their car’s weight.

In a media statement, the ACT’s Minister for Transport, Chris Steel, said the new regulations were developed after consultation with the Council of ACT Motor Clubs – the peak body for Canberra’s 75 government-recognised car and motorcycle clubs.

“The key purpose of this improved scheme is to support Canberra’s motoring community with discounted registration for older vehicles which are used on a limited basis by people as a hobby,” Mr Steel said in a media statement.

"This scheme recognises that these cars are not a daily drive and that we shouldn't penalise enthusiasts who own additional VVH vehicles by charging full registration.

“Canberra has a passionate community of car lovers with around 2400

vehicles currently registered under the VVH arrangements, with more types of vehicles to be included under the scheme we’re sure to see some interesting cars and motorbikes on our roads, including some previously registered interstate.”

The ACT’s updated day-based club permit scheme mirrors limits already in place in New South Wales and the Northern Territory, though only classic cars in the national capital can also be modified while taking advantage of the cheaper registration.

While the minimum age of a car and the conditions it can be driven on a club permit vary from state to state in Australia, all jurisdictions have common requirements for historic registration to be approved.

Classic car owners who apply for a club permit have to be a member of a government-recognised car club in their region, while they are also required to keep a log book in the vehicle in order to document its movements between events.

See below for a full list of minimum age requirements, travel limits and costs for historic registration/club permits in Australia.

State/territory	Minimum vehicle age	Annual days of use (outside club events)	12-month registration cost (car only)
New South Wales	30 years	60 days	\$96 (first year, \$47 thereafter)
Victoria	25 years	45/90 days	\$121.80/\$197.90
Queensland	30 years	N/A	\$191.90
Western Australia	30 years	30 days	75 per cent off standard registration
South Australia	25 years	90 days	\$85
Tasmania	30 years	104 days	\$169.15
Australian Capital Territory	30 years	60 days	\$99.10
Northern Territory	30 years	60 days	\$111

## CHACA CLUB PERMIT SCHEME ELIGIBILITY GUIDELINES

CHACA is a VicRoads authorised Club to participate in the VicRoads Club Permit Scheme (CPS).

VicRoads has set rules to determine the eligibility of vehicles for the Club Permit Scheme. These may be viewed in the CPS handbook or on the VicRoads website. CHACA has set its own additional requirements for vehicles to be submitted for the CPS using CHACA's authorisation. The additional requirements are in line with the original CHACA charter of vehicle originality and preservation.

The following are CHACA's requirements for Members submitting vehicles for CPS assessment.

1. The vehicle must have been manufactured prior to 31st December 1992.
2. Vehicles submitted for CPS application must be as the manufacturer originally designed and built. Some modifications are permitted in line with the original manufacture option list, are period correct, or are based on safety issues, but in all cases must not detract from originality. Replicas derived from a lower model are acceptable as long as the appearance is as original as possible to the intended vehicle model (e.g. GT Falcon from a base Falcon).
3. Applicants for the CPS will certify that the vehicle submitted will remain roadworthy during the permit period and unmodified from what was originally submitted.
4. Once a vehicle has been accepted by CHACA for CPS it will be the members' responsibility to maintain the vehicle as originally presented, with no further modifications and in a roadworthy condition for all permit renewal applications.
5. Determination of the eligibility for any vehicle submitted to CHACA for CPS will be at the discretion of the Committee. Vehicle CPS application must be submitted to the Technical Officer in writing.

For further questions, please contact the committee.

## Ken's Joke of the Month

An Englishman, Irishman and Scotsman were drinking in a bar. Suddenly the Scotsman remarked, **"Good as this place is, I prefer the pubs back home. In Glasgow there's a wee place where the landlord goes out of his way to look after you. When you buy four drinks, he buys the fifth."** "Huh!" snorted the Englishman. *"In my local pub in London the barman gives you your third drink for free after you've bought the first two."*

*"Ahhhh that's nuthin,"* says the Irishman. *Back home in my village pub, the minute you set foot in the place they'll buy you a drink. Then another, and another, all the drinks you want actually. Then, when you've had enough drinks, they take you upstairs and see that you get laid, all on the house!"*

The Englishman and Scotsman were suspicious of these claims, even though the Irishman swore every word was true.

The Englishman asked, *"So did this actually happen to you?"* **"Not to me personally, no"** admitted the Irishman, *"but it did happen to me sister quite a few times."*
