CHACA CPS Eligibility Criteria

Committee has looked at the draft guidelines and the Sub-Committee has now produced the new guidelines.

See Page 18.

IMPORTANT NOTICE

I issued a notice a few days ago indicating that CHACA would still be conducting General Meeting for its members.

The announcement today by the Prime Minister that at least 4 square metres of space must be allocated to each attendee at a non essential meeting has changed the situation. Based on this requirement and the space available in each of the rooms at the Club we would not be compliant with that regulation.

CHACA therefore cancels all meetings including General Meetings until further notice. Communication with members during this period will therefore be via The Journal, web page and emails.

Brian Garrett

PRESIDENT'S REPORT

What a great General Meeting we had on the 27th February. It started off with a Sausage sizzle, compliments of Rowland Tidd, along with salads compliments of Rozz Smith.

Barry Smith and yours truly did the cooking and unbelievable as this may sound not one case of food poisoning was noted.

Relatively new member Arthur Pietsche followed up with an excellent presentation on the restoration of his Triumph TR4. Arthur had the TR on display in the Foyer and it certainly was an excellent example of the Marque. Thank you Arthur.

Now all you other members don't be shy. Nominate to display one of your cars and give a small presentation on its history and work done. All members relate to these types of presentation as most of us have been through similar experiences. We have the facility to display cars so let's use it.

Contact me and I will organise a date. I will even set up a power point presentation you can talk to. What more could you ask for.

Plenty to do this month. Kalorama on the 22nd, and the Federation Scoresby Picnic on the 29th. Both of these events are close by so they are ideal for a family day out.

The kids and grand kids would love the Scoresby Picnic at the Steam Centre with Animal Petting Zoo and Miniature Train rides available, and, unusual nowadays, entry is free.

Kalorama of course is an institution and this is the 64th running of this event. The organisers must be doing something right! There is an adult entry fee of \$10 but it goes to the CFA so consider it your contribution to the Fireys.

Located on the oval at Kalorama you can get there from 10am, or you can participate in the "Mystery Tour" which takes the longer way there. If taking the Tour meet at the Manhattan Hotel, Cnr Heatherdale and Canterbury Road, Ringwood at 9am for a 9:30 departure.

Don't forget our tour to Maryborough 15th to 17th May. Graeme needs to know as soon as possible who is coming so he can make the necessary negotiations with the various venues we will be attending. Contact Graeme or Joan and get this rolling.

MARYBOROUGH WEEKEND RUN 15 to 17th MAY 2020

Want to explore the Maryborough area and surrounding towns then this run is the one for you. Organised by members Graeme & Joan Moore this is one not to be missed.

Based in Maryborough, the run over two days will visit all the attractions of Maryborough as well as those of Tarnagulla, Inglewood, Dunolly, Talbot, and Creswick.

Accommodation will be at the Golden Country Motel & Caravan Park. For those that arrive on the Friday night a relaxed BBQ will be available at the accommodation. Those that arrive on the Saturday would need to be at Maryborough no later than 9:45am to participate in the days events.

Saturday night is dinner at the Maryborough Golf Club in a private area, right across the road from our accommodation so you can leave your car tucked up for the night.

The last town visited will be Creswick so members can go home direct from there or if you wish can return to Maryborough for a further night.

You must make the accommodation booking yourself and there will be a special rate for CHACA so mention when booking. Numbers are limited so be early birds to ensure your place. Booking deadline is 31st March 2020

MEMBER'S CAR

1964 Ford Fairlane 500 Sedan history

Registration # 24725-H

I.D. Plate Codes: - Serial Prefix FDSID, Serial # 107215,
SIDO # 318009, Model # 12174, Paint Code # KKK, Trim # A05,
Engine & VIN/Chassis # RF6738.

Bought by Peter & Sandra Hibbert on 02/03/06
Mileage was 103,500.

A gentleman of Blairgowrie owned it for 5 years offering it to me for purchase March 2006.
Prior to that, the original first owner of Gundowring, Vic, owned it for 20 years. Both gentlemen did a few items to the car to comprehensively maintain quality and originality.

All are as listed below:

The original V8 Windsor 289 Cu" engine was overhauled at around 85,000 miles grinding crankshaft to first undersize, cut in hardened valve seats, (heads cast late 1964), new Federal Mogul hardened valve set, used the original steel camshaft, fitted new gear & chain, new lifters, new .020" new pistons, crank is .010" down. Electronic distributor fitted.

Automatic 3 speed transmission had never been opened; only fluid changed. The designation on steering column:- L1 is first gear. L2 is second gear. ALWAYS take off in L1. Differential never opened. Steering box too but a noticeable leak from the top has been repaired.

New front brakes from XA, XB, XC rotors, XF, XE vacuum brake booster & XY dual circuitry. Calipers are PBR standard with HZ Holden/XF Ford disc pads. Trimming to interior roof is original as are door panels & dash pad but some repair has been done by me.

Seat cushion inserts & all fabrics are factory original. Later interior dimming type mirror is used.

The original owner fully painted the car exterior himself some years ago. The colour match is the original Silver Grey (Code K) as it should be. Plated instrument panel items & A/C fascia all re-chromed. I later added air

conditioning using the original 1956 branded type of 4 ball outlet fan coil unit. The compressor is the original Email unit that I modified to suit the latest gas.

Fuel is standard ULP. Engine oil used is Castrol GTX 20W/50. Tran's oil is Castrol TQF.

At 100,000 miles. The second owner changed the engine oil, replaced oil pan gaskets & filter. The heater valve is located to RHS of engine below dry element air cleaner. Heat is off when lever is hard forward. Cold starting auto' choke is set to minimal & engine needs a short running period prior to moving off.

The windscreen & gasket have been replaced, front brake hoses, radio repaired, front & rear seat cushions re-blocked, 4 new front tyres, front suspension ball joints, bolts & strut bar kits, new rear wheel cylinders, transmission shift rod seal & cleaned dust from all instrument panel fittings. It is fitted with factory separate hot water heater. I have done no other work than a water pump, re-stretched the interior door panels & trimmed the floor with fresh original matching loop pile carpet. Maintenance is simple & cost effective.

Interior dash clock works perfectly as all other factory fittings & accessories. The bright blue seat belts that were non-matching were renewed in silver blue colour by me. We use the Fairlane often, especially to Swap Meets.

A great safe Ford & will stay with the family.

Peter Hibbert. 10/03/2017.

CHACA PAST EVENTS

The Ballarat Begonia Rally No 49.held on February 22nd and 23rd.

In my wisdom I decided to attend the Begonia Rally with my sister Ruth as my passenger and navigator, so I picked her up at Trentham in the M.G. , drove to Ballarat and registered our presence and promptly met up with John and Louise Baker, Peter and Sandra Hibbert and quite a few other past friends from previous rallies.

With the weather being mild we set out for a circuitous trip with the hood down through Dean ,Blampede , and numerous back roads to finally arrive at Cricket Willow for a very tasteful light luncheon and informative talk and viewing on the growing of willow and the manufacture of bats for Test Match standards.

We all then motored through Hepburn Springs , Dalesford then on to the football ground at Dean for a taste tempting afternoon tea and then back to our accommodations to prepare for the rally dinner that evening held at the Ballarat Greyhound Track in air conditioned comfort .

The catering was of copious amounts of high standard savoury courses and a choice of a main meal followed by sweets.

The entertainment following was a trivia night which was won by us Chaca. members at table eight.

Next morning was a trip to Elaine via a circuitous route to view the Serbean Cemetery and its splendid array of monumental graves the like one has never observed before and to have morning tea then returning back to rally head quarters and award presentations where Peter Hibbert picked up a trophy for his 1957 Chev convertible , after which we all set about returning to our homes after an extremely well run and executed rally which I must congratulate the Ballarat Veteran Vintage Vehicle Car Club for staging, hoping you can all make it for their 50th rally next year.

CHACA CLUB PERMIT SCHEME ELIGIBILITY GUIDELINES

CHACA is a VicRoads authorised Club to participate in the VicRoads Club Permit Scheme (CPS).

VicRoads has set rules to determine the eligibility of vehicles for the Club Permit Scheme. These may be viewed in the CPS handbook or on the VicRoads website. CHACA has set its own additional requirements for vehicles to be submitted for the CPS using CHACA's authorisation. The additional requirements are in line with the original CHACA charter of vehicle originality and preservation.

The following are CHACA's requirements for Members submitting vehicles for CPS assessment.

1. The vehicle must have been manufactured prior to 1st December 1992.
2. The member submitting the application must have been a CHACA member for at least 3 months.
3. Vehicles submitted for CPS application must be as the manufacturer originally designed and built. Some modifications are permitted in line with the original manufacture option list, are period correct, or are based on safety issues, but in all cases must not detract from originality. Replicas derived from a lower model are acceptable as long as the appearance is as original as possible to the intended vehicle model (e.g. GT Falcon from a base Falcon).
4. Applicants for the CPS will certify that the vehicle submitted will remain roadworthy during the permit period and unmodified from what was originally submitted.
5. Once a vehicle has been accepted by CHACA for CPS it will be the members' responsibility to maintain the vehicle as originally presented, with no further modifications and in a roadworthy condition for all permit renewal applications.
6. Determination of the eligibility for any vehicle submitted to CHACA for CPS will be at the discretion of the Committee. Vehicle CPS application must be submitted to the Technical Officer in writing.

For further questions, please contact the committee.

KEN'S JOKE OF THE MONTH.

RAF hero Sir Douglas Bader was giving a talk at an exclusive girl's school about his time as a pilot in the Second World War. "So there were two of the f***ers behind me, three f***ers to my right, and another f***er on the left, he told the audience. The headmistress went pale and interjected: "Ladies, the Fokker was a German aircraft". Sir Douglas replied, "That may be madam, but these f***ers were in Messerschmitts.

To all Permit Plate Holders

Due to VicRoads tightening their control on all Clubs involved with the Club Permit Scheme (CPS) we now request that all members issued with a Permit through CHACA under the new Log Book scheme attend at least one Club Run or Meeting every 6 months **with the Car**. This will assist the Club in ensuring your vehicle continues to meet with all the guidelines and conditions of use as set out by VicRoads and CHACA.

Members are also reminded that the Club is bound by the new rules of this scheme to advise VicRoads of any Permit Holder who is no longer a financial member of the Club. Any queries please contact.
